This is your application fee and it is non-refundable.

pARTiculars is an artist/owned and operated cooperative art gallery and teaching studio. This application is for an equal share ownership in the business. This includes both duties and benefits.

Membership benefits include space to show and sell your artwork, space to teach art classes, full participation in gallery events, and collaboration with fellow owner/artists.

The initial jury process consists of a preliminary screening to determine if your art fits with the gallery. We will ask you to bring three to five pieces of your work that you feel comfortable leaving for up to a week. pARTiculars is very careful with art work, but we cannot assume responsibility for work during this jury process. If it does fit, you will be invited to participate in an interview with one or more members of the jury committee. An initial interview will be set up, followed by the members reviewing and voting on your application as a new member. You may be asked to do a presentation at the beginning of a general meeting.

Please include contact information for three people who are familiar with your artwork, your work ethic and your interpersonal skills. pARTiculars looks for new members who have the following skills: small business administration, marketing and publicity, classroom teaching, and event planning.
